1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

e. d.

Ditto..... Ditto..... Bombay.
Per Spanish Dollar Ditto..... China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both by triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to these Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt, Pepper and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in Illegal Packages.—Extracts from the Acts 8 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

No. 235 of 1841.—The Right Hon'ble the Governor General of India in Council is pleased to republish the following General Orders, No. 7, dated 1st January 1837, containing certain Rules relative to the degree of proficiency in the Native Languages, required to be attained by Military Officers of the East India Company's Service, to qualify them for Staff or detached Employ.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, 9th January, 1837.

No. 7 of 1837.—The Hon'ble the Court of Directors having, in a recent despatch, again expressed their anxious desire, that a competent knowledge of the Native languages should be generally diffused among the Officers of their Army, and having, at the same time, deemed it necessary to prescribe, that a certain degree of proficiency in one or more of those languages be in future considered an indispensable qualification for Staff employ, the Right Honorable the Governor General of India in Council, with the view of giving effect to the wishes of the Honorable Court, without prejudice to the just claims of the many in other respects highly qualified Officers now in the Service, is pleased to publish the following rules for general information:

I. No Military Officer, who is now in the Service, or who may enter hereafter, will be deemed qualified for, or eligible to, the Commissariat Department, or the appointment of Regimental Interpreter, unless he shall have passed the examination in the Native languages, prescribed for candidates for the latter situation.

II. No Officer, who may enter the Service hereafter, will be deemed eligible to any Staff situation, (except a temporary one during actual service in the field,) or civil employ, until he shall have passed an examination in the Hindooostanee language.

III. Notwithstanding that Officers now in the Service are exempted from the restrictive operation of the immediately preceding rule, it is to be distinctly understood, that a competent knowledge of Hindooostanee, though not in their case an indispensable qualification for the situations open to others on the condition of passing an examination in that language, will, as hitherto, be always considered to confer a strong additional claim to promotion to the Staff.

NOTIFICATION.

A BKARRY.—With reference to the Notification issued from this Office on the 29th June last, Shippers of Rum are hereby informed, that the date from which the imposition of a duty on every Gallon of Rum shipped in quantities below one thousand Gallons was announced as to take effect (viz. 1st July 1841,) has been, under the authority of Government, altered to the 1st January 1842.

By order of the Board of Customs, Salt and Opium, the 15th August, 1841.

H. TORRENR. Secretary.

RULES

For bonding Salt imported by Sea and deposited in Private Warehouses, to take effect from this date, 28th September 1841.

First.—Parties wishing to store Salt in private Godowns under the Government Orders of 11th August 1841, to give notice of their intentions to the Collector of Customs in writing, pointing out the location of the Godown in which the Salt is to be stored and making a Deposit of the Duty in Government Preliminary Notes or in Bills accepted by Government.

Second.—On receipt of this deposit, the Collector of Customs will cause the Salt to be weighed and delivered from on board ship as at present, sending with each boat load of Salt for its protection in transit, between the ship and the Importer's Godown, a Boat Note (as per Form annexed) signed by both the Preventive Officer delivering and the Salt Chowkee Officer superintending the weighing.

Third.—On completion of weighing the Collector to report the outturn, together with the amount of Company's Paper held in deposit on receipt of this information, and the Boat Notes which must be delivered up by the Importer, the Board will supply the Importer with a Rowannah for the full quantity weighed over the vessel's side.

Fourth.—On the expiration of three months from the date of entry of the ship on which the Salt may have been imported, the Collector of Customs will call upon the Importer or Consignee to pay the duty on the full quantity weighed over the vessel's side less 8½ per cent. wastage.

Fifth.—The Importer to write off all Salt sold by him on the back of the Rowannah, giving due intimation of sale within 24 hours to the Board, to enable them to depute a Salt Officer to be present at the weighing and delivery—this Officer will not suffer any Salt to be removed save under a separate Rowannah to be granted from the Board's Office. He will also attest the endorsement on the Rowannah, as above provided, of the quantity delivered.

Sixth.—A Salt Officer will attend during the landing of the Salt in order to put his seal on the Salt imported, and it will be expected that the Stamp so applied shall not be broken save in his presence.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandise consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, preserving the same for future observance:

TERMS AND CONDITIONS

FOR

**MAKING ADVANCES IN INDIA AND CHINA,
UPON**

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the Despatch of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

Per Company's Rupee for Advances made at..... Bengal.
Ditto..... Madras.
Ditto..... Bombay.
Per Spanish Dollar: Ditto..... China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable in the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, in the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Dispatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 19 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 11TH OCTOBER, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 11th October 1841, is hereby promulgated for general information:

ACT NO. XXII. OF 1841.

For amending the Law with respect to rates for Municipal purposes within the Town of Madras.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and ground in Madras shall be applied; and to abolish the practice which has hitherto prevailed, of levying five per cent, on the annual value

of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per centage leviable by quarterly or other convenient rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas it is expedient to modify the provisions of the Statute 38, Geo. 3, Cap. 52, in regard to assessments for the Town of Madras in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;

It is hereby enacted, that the assessments which by the Statute 38, Geo. 3, Chap. 52, are authorized to be made for the Town of Madras, shall be applicable to the following purposes only, viz. lighting and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessment and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always, that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor in Council of Fort Saint George in Madras.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the rate-payers themselves, the Justices at their Quarter Sessions shall publish quarterly or as required by the Local Government the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within three or more divisions of the Town to be indicated by the Governor in Council of Fort Saint George in Madras before this Act shall be allowed to come into operation or such other divisions as the Governor in Council of Fort Saint George in Madras may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under the jurisdiction of the Justices.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate payors of any of such respective divisions shall apply to the Governor in Council of Fort St. George in Madras, to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort St. George in Madras to authorise the same accordingly, at his discretion; provided always that such majority of rate payors shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor in Council of Fort St. George in Madras upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor in Council of Fort St. George in Madras, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under this Act to specify the names of the owners or occupiers of houses, buildings and

grounds; but it shall be sufficient if every property rated be identified, and in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattels of the owner of any property rated shall be seizable anywhere (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any zanana, the Officer charged with the execution of the warrant shall make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court of the Presidency.

IX. And it is hereby enacted, that it shall be lawful for any one Justice of the Peace for the Town of Madras to issue a Warrant of Distress for the recovery of the arrears of Assessment under this Act, or under the Statute 39, Geo. 3, Ch. 52, and every such Warrant shall have the same force and effect as if it were under the hands and seals of two such Justices.

T. H. MADDOCK,
Secy. to the Govt. of India.

LEGISLATIVE DEPARTMENT,
THE 11TH October, 1841.

I. It is hereby enacted, that if any person after the passing of this Act, lands or attempts to land, or shall introduce by land in any part of the Territories subject to the Government of the Presidency of Fort St. George in Madras, any Rum or Rum Shrub, which is the produce of any foreign Country, or of any British possession into which foreign Sugar or Rum can be legally imported, such Rum or Rum Shrub shall be seized by the Collector of the Customs, or by any other Officer authorized to seize and detain Contraband Goods, and shall be brought to judgment according to the Rules in force for confiscating such Goods, unless the District in which such Rum or Rum Shrub is landed, or in which an attempt has been made to land such Rum or Rum Shrub, be a District in which the Governor in Council has authorized the importation of such Rum or Rum Shrub, and it shall be lawful for the Governor in Council to authorize the importation of such Rum and Rum Shrub into any District of the Territories aforesaid by an Order in the Official Gazette.

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland-Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 6d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s. Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

First.—Parties wishing to store Salt in private Godowns under the Government Orders of 11th August 1841, to give notice of their intentions to the Collector of Customs in writing, pointing out the location of the Godown in which the Salt is to be stored and making a Deposit of the Duty in Government Prebendary Notes or in Bills accepted by Government.

Second.—On receipt of this deposit, the Collector of Customs will cause the Salt to be weighed and delivered from on board ship as at present, sending with each boat load of Salt for its protection in transit, between the ship and the Importer's Godown, a Boat Note (as per Form annexed) signed by both the Preventive Officers delivering and the Salt Chowkies Officer superintending the weighing.

Third.—On completion of weighing the Collector to report the outturn, together with the amount of Company's Paper held in deposit on receipt of this information, and the Boat Notes which must be delivered up by the Importer, the Board will supply the Importer with a Rowannah for the full quantity weighed over the vessel's side.

THE 18TH OCTOBER, 1841.

The following Extract from the proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 18th October 1841, is published for general information.

Whereas it is expedient to make Regulations for Boats and Catamarans employed in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment,—

It is hereby enacted, that from and after the 1st day of January next, no person either as Owner or Servant shall use or employ, or be employed in, any Boat or Catamaran to carry Passengers, Goods or Letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless such Owners or Owner of Boats and Catamarans shall have previously received a License, and unless the Boat or Catamaran which such Owner or Owner, Servants or Servant shall so use, has been registered as hereinbefore mentioned, and in case any person who has not received such License shall employ or be employed in a Boat or Catamaran for the purposes aforesaid, or such Boat or Catamaran shall not have been so registered, such person shall be liable to a fine not exceeding the sum of 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and the Boat or Catamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is seaworthy, and of a proper quality for the purposes aforesaid, and upon the application of the Owner of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, and the names and places of residence

of all such Boatmen or other persons as shall be employed by such Owner in and about the navigation, and management of such Boat as particularly as may be, and also subscribing to a declaration in writing that he fully understands all the provisions of this Act and those contained in the Subsidiary Rules to the same Act, it shall and may be lawful, and the said Master Attendant is hereby required to grant to such Owner a License so to use the same in which License (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such License shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and places or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, and their names and places of residence respectively of which particulars shall be entered in a book or Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his License before the said Master Attendant, and such new Owner shall also deliver to him a written paper signed by such new Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as shall employ, or propose to employ in and about the navigation and management of such Boat as particularly as may be, and shall also subscribe to a declaration in writing that he fully understands all the provisions of this Act, and those contained in the Subsidiary Rules to this Act, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be made by him of such Boat or Catamaran, and thereupon a new License to use such Boat or Catamaran expressing and containing the same particulars as are hereinbefore provided to be expressed in the original License shall be granted by the said Master Attendant, and whenever any such Owner or Owners, or any of the Boatmen or other persons employed to manage or navigate any such Boat or Catamaran shall change his or their place of abode notice of such change of abode shall be delivered to the said Master Attendant by the said Owner, in order that such new place of abode may be entered in the Registry and License. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed in their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 11th October 1841, is hereby promulgated for general information:

Act No. XXII. of 1841.

For amending the Law with respect to rates for Municipal purposes within the Town of Madras.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Madras shall be applied; and to abolish the practice which has hitherto prevailed, of levying the same per centage on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per centage variable by quarterly or other convenient rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and general deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas

it is expedient to modify the provisions of the Statute 23, Gen. 3, Cap. 52, in regard to assessments for the Town of Madras in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;

It is hereby enacted, that the assessments which by the Statute 23, Gen. 3, Chap. 52, are authorized to be made for the Town of Madras, shall be applicable to the following purposes only, viz lighting and watering the roads and streets, and cleaning and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessment and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always, that no rate shall be made exceeding the amount of two per cent on the assessed value of property without the sanction of the Governor in Council of Fort Saint George in Madras.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the rate-payers themselves, the Justices at their Quarter Sessions shall publish quarterly or as required by the Local Government the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within three or more divisions of the Town to be indicated by the Governor in Council of Fort Saint George in Madras before this Act shall be allowed to come into operation or such other divisions as the Governor in Council of Fort Saint George in Madras may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under the jurisdiction of the Justices.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate payers of any of such respective divisions shall apply to the Governor in Council of Fort St. George in Madras, to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort St. George in Madras to authorize the same accordingly, at his discretion; provided always that such majority of rate payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor in Council of Fort St. George in Madras upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor in Council of Fort St. George in Madras, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under this Act to specify the name of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattels of the owner of any property rated shall be seizable anywhere (except where property is concealed as being illegal or contraband) for deficiency in the payment of rates. And all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure; and in the case of the nature of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property rights or interests under this Act are concealed in any manner, the Officer charged with the execution of the warrant shall

make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court of the Presidency.

X. And it is hereby enacted, that it shall be lawful for any one Justice of the Peace for the Town of Madras to issue a Warrant of Distress for the recovery of the amount of Assessment under this Act, or under the Statute 38, Geo. 3, Ch. 22, and every such Warrant shall have the same force and effect as if it were under the hands and seals of two such Justices.

I. It is hereby enacted, that the Statute XI. George IV. and I William IV. Provided that this Act shall take effect from the first day of January next, which day is substituted for the first day of September mentioned in the Statute.

II. And it is hereby enacted, that the Statute XI. George IV. and I William IV. Ch. 40, entitled "an Act to alter and amend the Law relating to Illusory Appointments," and the Statute XI. George IV. and I William IV. Ch. 65, entitled "an Act for consolidating and amending the Law relating to property belonging to infants, feme coverts, Idiots, lunatics and persons of unsound mind" shall, from the first day of January next, be extended to the Territories of the East India Company, as far as it is applicable to the same.

III. And it is hereby enacted, that the Statute XI. George IV. and I William IV. Ch. 60, entitled "an Act for amending the Laws respecting conveyances and transfer of Estates and Funds vested in Trustees and Mortgagors, and for enabling Courts of Equity to give effect in their Decrees and Orders in certain cases," except so much thereof as provides that it shall not extend to cases of partition, shall, from the first day of January next, be extended to the territories of the East India Company, as far as it is applicable to the same, and all provisions contained in the last mentioned Statute relating to the Lord Chancery of Great Britain, are to be construed as though it were enacted, as to Courts of

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 18th of October 1841, is hereby promulgated for general information:

Act No. XXVII or 1841.

An Act for appropriating the unclaimed Dividends on Insolvent Estates.

I. Whereas pursuant to the Orders of the Courts for the Relief of Insolvent Debtors at the several Presidencies, divers sums on account of unclaimed Dividends on Insolvent Estates have from time to time been paid over by the Assignee of such Insolvent Estates into the hands of the Accountant General and Sub-Treasurer of the East India Company at such several Presidencies with the privity of the Accountant General of the said Insolvent Courts, to the credit of the persons named in the Schedules as Creditors of such Insolvents respectively;—and whereas it is expedient that in the event of no claim being established to such unclaimed Dividends or any part thereof, within a reasonable time, such Dividends should be distributed among such of the Creditors of such Insolvent Estates as shall have established their claims against such Estates respectively;—

It is therefore enacted, that it shall be lawful for the said Courts of Insolvent Debtors respectively in the event of no claim being established to such Dividends or any part thereof, within six years after any Dividend shall have been so paid over, as aforesaid, to order the same to be repaid to such Assignees, to be by them distributed among such of the Creditors of such Insolvent Estates as shall have established their claims against such Estates respectively, and to order such claims to be extinguished from such Estates. II. And it is hereby enacted, that no such unclaimed Dividend shall at any time be distributed under this Act unless a Statement of such unclaimed Dividends be previously published in manner following: One year at least before making any such division as aforesaid a Statement shall be published three times in the English language, and also in one or more native languages in the Official Gazettes of the respective Presidencies, which Statement shall contain the names and descriptions as contained in the Schedules of all parties in respect of whose claims Dividends are reserved, together with the amount of such claims respectively, and shall specify whether any former Dividend or Dividends have been paid in respect thereof, and whether any proof shall have at any time been made of the debt whereby any Dividend may have accrued. Provided always that this Act shall not authorize the distribution of any such Dividend except where no person shall at any time have substantiated any claim to the debt in respect of which such Dividend may have become due.

III. And it is hereby further enacted, that in case it shall appear that any Insolvent is indebted to any Domestic Servants for Wages, it shall be lawful for such Courts at or before the time of declaring a Dividend to order the amount due for such Wages, but not exceeding in the whole the amount of six months' Wages to be paid to such Servants out of the Estates of such Insolvents.

IV. And so it enacted, that this Act shall not take effect until the first day of January 1842.

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 11th October 1841, is hereby promulgated for general information:

ACT NO. XXII. OF 1841.

For amending the Law with respect to rates for Municipal purposes within the Town of Madras.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Madras shall be applied; and to abolish the practice which has hitherto prevailed, of levying five per cent on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per centage leviable by quarterly or other convenient rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and usual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same; and are willing to enter into proper arrangements for the purpose. And whereas

it is expedient to modify the provisions of the Statute 23, Geo. 3, Cap. 52, in regard to assessments for the Town of Madras in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;

It is hereby enacted, that the assessments which by the Statute 23, Geo. 3, Chap. 52, are authorized to be made for the Town of Madras, shall be applicable to the following purposes only, viz. lighting and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessment and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always, that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor in Council of Fort Saint George in Madras.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the rate-payers themselves, the Justices at their Quarter Sessions shall publish quarterly or as required by the Local Government the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within three or more divisions of the Town to be indicated by the Governor in Council of Fort Saint George in Madras before this Act shall be allowed to come into operation or such other divisions as the Governor in Council of Fort Saint George in Madras may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under the jurisdiction of the Justices.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate payers of any of such respective divisions shall apply to the Governor in Council of Fort St. George in Madras, to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts. It shall be lawful for the Governor of Fort St. George in Madras to authorise the same accordingly, at his discretion; provided always that such majority of rate payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor in Council of Fort St. George in Madras upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor in Council of Fort St. George in Madras, to appoint such Assessors or Assessors, Collector or Collectors, and to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattels of the owner of any property rated shall be seizable any where (except where property is covered as harsifaster mentioned) for deficiency in the payment of rates. And all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any store, the Officer charged with the execution of the warrant shall

make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the valuation of property in like cases adopted by Her Majesty's Supreme Court of the Presidency.

IX. And it is hereby enacted, that it shall be lawful for any one Justice of the Peace for the Town of Madras to issue a Warrant of Distress for the recovery of the arrears of Assessment under this Act, or under the Statute 33, Geo. 3, Ch. 52, and every such Warrant shall have the same force and effect as if it were under the hands and seals of two such Justices.

NOTICE.

CHANGE OF PILOT STATION FOR THE RIVER HOOGHLY.

NOTICE is hereby given, that referring to the impracticability during the last S. W. Monsoon, owing to the increasing resort of Shipping to the Port of Calcutta, to supply Pilots at the distant Station off Point Palmyras, the arrangements as noted in the following Memorandum from the Master Attendant, will be adopted for the next S. W. Monsoon.

MEMO.

1st.—A Pilot Vessel will be stationed off False Point during the next South West Monsoon, say from the 15th of March to the 15th of September 1842, bearing, according to circumstances, E. by N. & S. E. by S. from the Light House, and ■ from 10 ■ 15 fathoms depth of water.

2d.—This Vessel will exhibit by day when any others are in sight, besides the usual Company's Ensign at her Peak, a large *Danish Jack* (red with white cross) at her Main Top Gallant Mast Head, and at night a good Light in the same situation, besides burning a Blue Light every hour, and beating a Gong frequently in calm thick weather, to warn Vessels coming from the Southward of her near neighbourhood. She will not however have any Pilots on board, the main object of her intended Station off False Point being to guard all inward bound Vessels from proceeding to the old Station off Point Palmyras during next season, and directing them to a new one in the South Channel between the Tails of the Eastern and Western Reefs, where Pilot Vessels will then be found in from 16 to 20 fathoms water, and from 6 to 8 Miles South West of the present South Channel Buoy, that Buoy laying in Lat. 20° 58' 30" N. Long. 88° 4' East of Greenwich, and in 12 fathoms water.

3d.—For the purpose of more distinctly marking the new Station, the Commanding Officer's Vessel there will always wear by day, when other Vessels are in sight, a large *St. George's Jack* (white with red cross) at her Main Top Gallant Mast Head, besides the usual Company's Colours at her Peak, and ■ night be distinguished by a constant good Mast Head Light, by Blue Lights and Maroons used alternately every half hour and also by Guns fired every four hours, say at 8 p. m. Midnight, and 4 a. m. with good Rockets discharged at the same time.

4th.—All Vessels are recommended to be most careful in coming over from False Point to the New Station by constant attention to that safe old Guide the Lead, and thereby correcting their Steerage as Tides or Currents may or may not set them out of their proper course, and they are also advised not to come under 16 fathoms, at night especially, till they reach the Pilot's Station and get their proper Pilots on board.

5th.—Lastly—All Vessels are directed not to approach the Pilot's Station at night without giving due warning, and not only by the exhibition of Lights, say 2 Vertical where best seen, but also by the discharge of a Gun, if they have any on board, as soon as they descry the first Pilot Vessel near them. They are further recommended to be most careful not to come into collision with any of the Pilot Vessels ■ the Station on their own account no less than that of the Public as they will be held responsible for all Damages, and called upon afterwards to pay for all that may have arisen from bad Look-out, Inattention to Duty, or Carelessness of any kind whatever.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT.

THE 18TH OCTOBER, 1841.

The following Extract from the proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 18th October 1841, is published for general information.

Read a second time the Draft of proposed Act dated the 15th June 1840, and published in the Supplement to the Calcutta Gazette of the 17th of the same month, for the better management of Boats and Catamarans in the Madras Roads and for the amendment of certain Harbour Regulations.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following Amended Draft on the subject be re-published for general information :

Act No. —— of 1841.

For the better management of Boats and Catamarans in the Madras Roads and for the amendment of certain Harbour Regulations.

I. Whereas it is expedient to make Regulations for Boats and Catamarans employed in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment,—

It is hereby enacted, that from and after the 1st day of January next, no person either as Owner or Servant shall use or employ, or be employed in, any Boat or Catamaran to carry Passengers, Goods or Letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless such Owners or Owner of Boats and Catamarans shall have previously received a License, and unless the Boat or Catamaran which such Owners or Owner, Servants or Servant shall so use, has been registered as hereinbefore mentioned, and in case any person who has not received such License shall employ or be employed in a Boat or Catamaran for the purposes aforesaid, or such Boat or Catamaran shall not have been so registered, such person shall be liable to a fine not exceeding the sum of 50 Rupees on conviction before a Justice of the Peace, so that Justice shall direct, and the Boat or Catamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is seaworthy, and of a proper quality for the purposes aforesaid, and upon the application of the Owner of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner certifying his name, occupation and place of residence, and the names and places of residence

of all such Boatmen or other persons as shall be employed by such Owner in and about the navigation, and management of such Boat as particularly may be, and also subscribing to a declaration in writing that he fully understands all the provisions of this Act and those contained in the Subsidiary Rules to the same Act, it shall and may be lawful, and the said Master Attendant is hereby required to grant to such Owner a License so to use the same in which License (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such License shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, and their names and places of residence respectively all of which particulars shall be entered in a book or Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his License before the said Master Attendant, and such new Owner shall also deliver to him a written paper signed by such new Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as he shall employ, or propose to employ in and about the navigation and management of such Boat as particularly as may be, and shall also subscribe to a declaration in writing that he fully understands all the provisions of this Act, and those contained in the subsidiary Rules to this Act, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be kept by him of such Boat or Catamaran, and thereupon a new License to use such Boat or Catamaran expressing and containing the same particulars as are hereinbefore provided to be expressed in the original License shall be granted by the said Master Attendant, and whenever any such Owner or Owners, or any of the Boatmen or other persons employed to manage or navigate any such Boat or Catamaran shall change his or their place of abode notice of such change of abode shall be delivered to the said Master Attendant by the said Owner, in order that such new place of abode may be entered in the Registry and Licenses. In wilful neglect or default of which notice of change of Ownership or of the persons employed to row or navigate any such Boat, or of his or their or any or either of their change of residence, for the space of six days after any such change of residence, the Owner shall forfeit a sum not exceeding 50 Rupees on conviction before a Justice of the Peace, so that Justice shall direct, and for every such new Registration to be made by the said Master Attendant as aforesaid he shall be entitled to charge by way of fee the sum of one Rupee, and for every new License thereof the sum of one Rupee.

III.
